Dear Shlomo:

The Atlantic City Rescue Mission is very pleased to be able to collaborate with the Crossroads Partial Care Program in giving aid to the homeless population that find themselves deprived of stable living conditions. Crossroads has been instrumental in helping these men and women gain a more stable psychological footing.

The Crossroads Partial Care Program has been excellent in helping the homeless find suitable housing that meets their needs. Your staff has worked hard on behalf of each of the clients.

The ease of communication between our two agencies has been remarkable. It is this kind of communication that has prevented many of the clients from "falling between the cracks." This helps to ensure that clients receive the help that they need. I only wish that more agencies would be as cooperative as Crossroads such that a great many more clients might be helped.

Sincerely,

Fred C. Soper
