Dear Guest:

Thank you for attending our Open House Function on Wednesday, July 12th, 2006. We hope you found your visit productive and of good benefit to your agency. I will be contacting you in the next week or so to build on the discussions from the meeting.

News and Information:

1. We are pleased to announce our expansion efforts in both Cape May and Ocean Counties are a success. We are soon restructuring our transportation services in Southeastern Gloucester County to include parts of Cumberland County as well. Upon completion of this restructuring, we will have full time service in Atlantic, Camden, Cape May, Cumberland and Ocean Counties.
2. We are confident in our ability to help our consumers, but we feel under utilized. We are licensed to accommodate 120 clients per day and average 60 per day in our daily census. There is plenty of room for growth. With your help, we hope to grow our business and help service the regional population of Mental Health Consumers in Southern New Jersey.
3. Because we are building to service the (5) Southeastern Counties in the region, we are developing a unique network with hospitals and residential healthcare facilities alike. We have found that a by-product of our marketing efforts is aiding the process of finding homes for those consumers discharged from regional institutions and the homeless consumers we service in Atlantic City, NJ with the support of our friends at the Rescue Mission and the Salvation Army. So please ask us about our network and we'll try to aid you in the process as well.
4. As we move forward, we will be scheduling continuing education seminars. We are in the process of creating a program that will run semi-annually. The program will allow our guests to receive CE credit hours while they attend our seminar series.

Thanks again for taking the time to meet with us. We hope to keep you informed in our progress and jointly work with you to aid those who need it most. Please contact us if you have any questions. We'll see you soon.

Best Regards,

Michael T. DiMarco
